Re: CB2023.05.SX, National and Career Pro Numbers

## National and Career Pro Numbers Rule Update

Effective Immediately: The following rules set forth in the 2023 Monster Energy AMA Supercross Rulebook have been updated.

### Section 3

#### 3.3 National Numbers

- c. Numbers 2-9
  - 1. Past 450SX, 450MX and 250MX ~~450SMX and 250SMX~~ Champions from the previous competition year may choose a permanent single-digit career number if available.
- d. Career Numbers 10-99
  - 1. Riders who finish in the top 10 in Championship points from the combined 450SX, 250SX, 450MX and 250MX ~~450SMX and 250SMX~~ classes from the previous competition year will have priority for the selection of a National two-digit available number for their career number.
- e. Numbers 10-99
  - 2. The total combined points from the 450SX, 250SX, 450MX and 250MX ~~450SMX and 250SMX~~ classes will be used to determine the order. National numbers are then issued according to highest to lowest total points. In case of riders having the same amount of total points, the tie is first broken by the rider that competed in ~~all three SX, MX and SMX~~ **both the SX and MX** series. If a tie remains ~~it will then be broken by the rider that competed in both the SX and MX series~~ **or** if each rider competed in a single series, the rider with the best Moto/Main Event finish will be awarded with the number.
