This guide is to help increase the lines of communication and your feedback is always welcome.

 - o Collared shirts and appropriate attire is mandatory.
- The arrival of the rider's motorcycle will receive gate choice.
- Please be considerate of other bikes trying to get through once called to the starting line.
- Do not start your motorcycle until directed to do so by an AMA Official.
- Grooming may be done anywhere behind the front leading edge of the starting gate.
 - o No shovels, tools, water or other implements are permitted to be used.
 - o A brush utilizing nylon type bristles may be used. (No steel type bristles).

 - o Upon the sign being turned sideways, the gate will fall between a 5-10 second interval.
 - o When using a digital type count down 30-second board, if the board malfunctions in any way during its display, the start procedure will continue and the board will be turned sideways at 30 seconds.

Qualifying & Alternates:

- Afternoon qualifying practices will be used to compile the 40 fastest riders in the 450SX and 250SX classes.
- The top 18 from the qualifying practices will go directly to the Races. 19th thru 40th will be placed in the Last Chance Qualifier. The top 4 riders from the LCQ will be placed directly into the Races.
 - o If a rider or riders have qualified in 19th thru 40th but are unable to participate in the Last Chance Qualifier, an alternate rider that qualified outside of the top 40 may be allowed into the LCQ. This will be done starting with the 41st qualifier until all positions for the evening program are filled.
 - o If a rider or riders have qualified for the Races but are unable to participate in the Races, an alternate rider that qualified outside of the top 4 in the Last Chance Qualifier may be allowed into the first Race **only**. This will be done starting with the 5th place from the LCQ until all positions for the evening program are filled.
 - o Once an alternate officially replaces a top qualified rider, the qualified rider is no longer eligible to participate in any further races at that meet.
 - o We ask that alternates be available (in gear) prior to the first Race in Pre-Staging.
 - AMA staging personnel will notify them of their eligibility to compete.
 - If a rider that has earned a Race position knows that they will not be able to make the start of the first race but still intends on participating in the second and third races, they must notify Race Direction of their intent prior to staging of the first race.
